Describe experiences you have had that led to your desire to serve the City.
 I feel it is a social responsibility to share my architecture background and training to help out my community. I have also served in lead roles on various boards and committees in numerous volunteer organizations. I moved to Ferndale because of the great potential and momentum this city has, and I want to be part of that growth.

Provide a brief biography including your skills, background and expertise, as well as involvement in the community, professional or other non-profit organizations that are specifically applicable to this board or commission.
 I have been in the Architecture and Design industry for 13 years. In school, besides Architecture, I had exposure to Urban Planning, Landscape Architecture, and Interior Design. Professionally, I have worked in an engineered wood flooring and roofing company. From there, I spent seven years in a highly respected residential architecture firm. Currently, I am the lead designer in a firm that specializes in resorts / hospitality. I have spent the better part of a decade as a Board Member of a fraternity Alumni & Volunteer Corporation. I also currently hold the role of "District Governor" for the same fraternity where I advise chapters and Alumni Corporations throughout the state of Michigan as well as speak at regional engagements and leadership conferences. I also serve as a member of the American Institute of Architects – Detroit, Emerging Professionals Comm. & the AIA – Michigan, Government Affairs Committee.
