

**CITY OF FERNDALE
REQUEST FOR COUNCIL ACTION**

FROM: Byron A. Photiades, DPW Director

SUBJECT: Bike Rack Installation

SUMMARY & BACKGROUND:

The City's mason contractor, Luigi Ferdinandi & Son Cement Co., submitted a quote of \$9,800 to install 26 bikes racks along Woodward and Nine Mile. Because the amount is over \$2,500, Council approval is required.

The work consists of removing concrete and/or brick pavers at designated locations along Woodward and Nine Mile and re-cementing in a new bike rack. The DDA had previously ordered the racks and had them shipped to the DPW for installation.

The expense would be charged to the General Fund, DPW General, Contractual Services, account no. 101-441-818.
